NINETEEN SIXTY-SEVEN

monocle

It is always the privilege of the Monocle Staff to dedicate the yearbook to someone who we feel is outstanding.

We, the members of the 1967 staff wish to present this year's book to a man as unique and interesting as the ways he uses to stimulate the minds of his students. We dedicate this Monocle to Mr. J. William Pretty.

Long years become a moment's glimpse of the mind's stores of experiences. Time has made a path, entwining within the memory of days . . . both sweet and sad. Now, as the graduates move forth into the world, they gaze back in a final farewell.

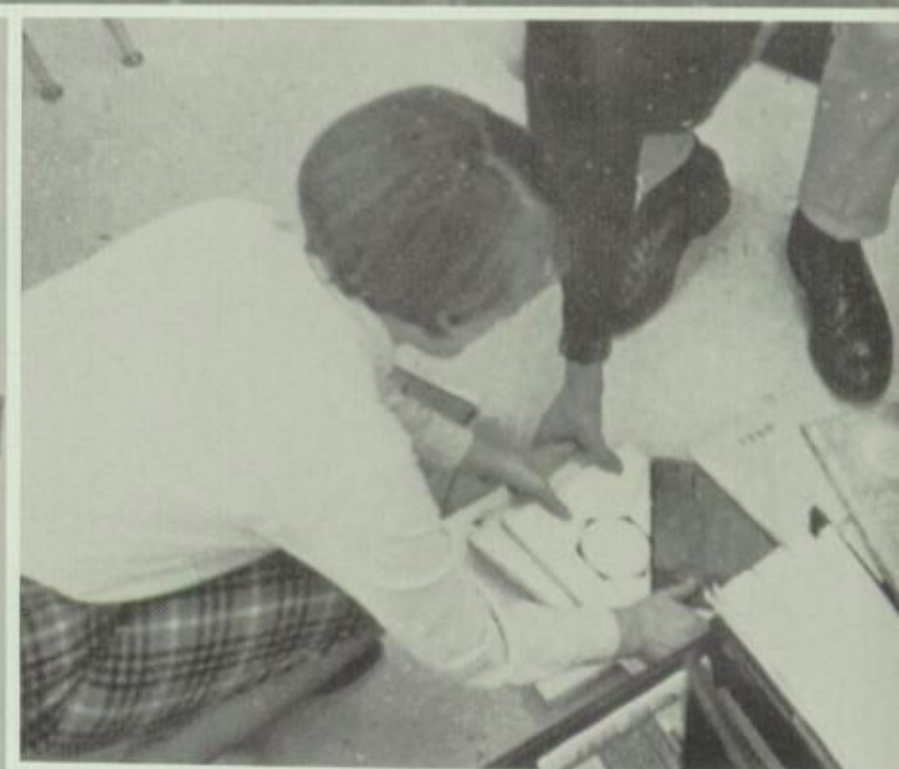

This final look must include an image of the bell, first as a lasting reminder of the tradition, and secondly, for the victories it has proclaimed and the sorrows it has tolled.

Silent now, watching, remains the bell, holding the memories of those now gone and extending its challenge to those to come . . .

*"Tun'd be its metal mouth alone
To things eternal and sublime.
And as the swift wing'd hours speed on
May it record the flight of time!"*

SCHILLER—"SONG OF THE BELL"

"Ring out, wild bells, to the wild sky."

A. F. Tennyson

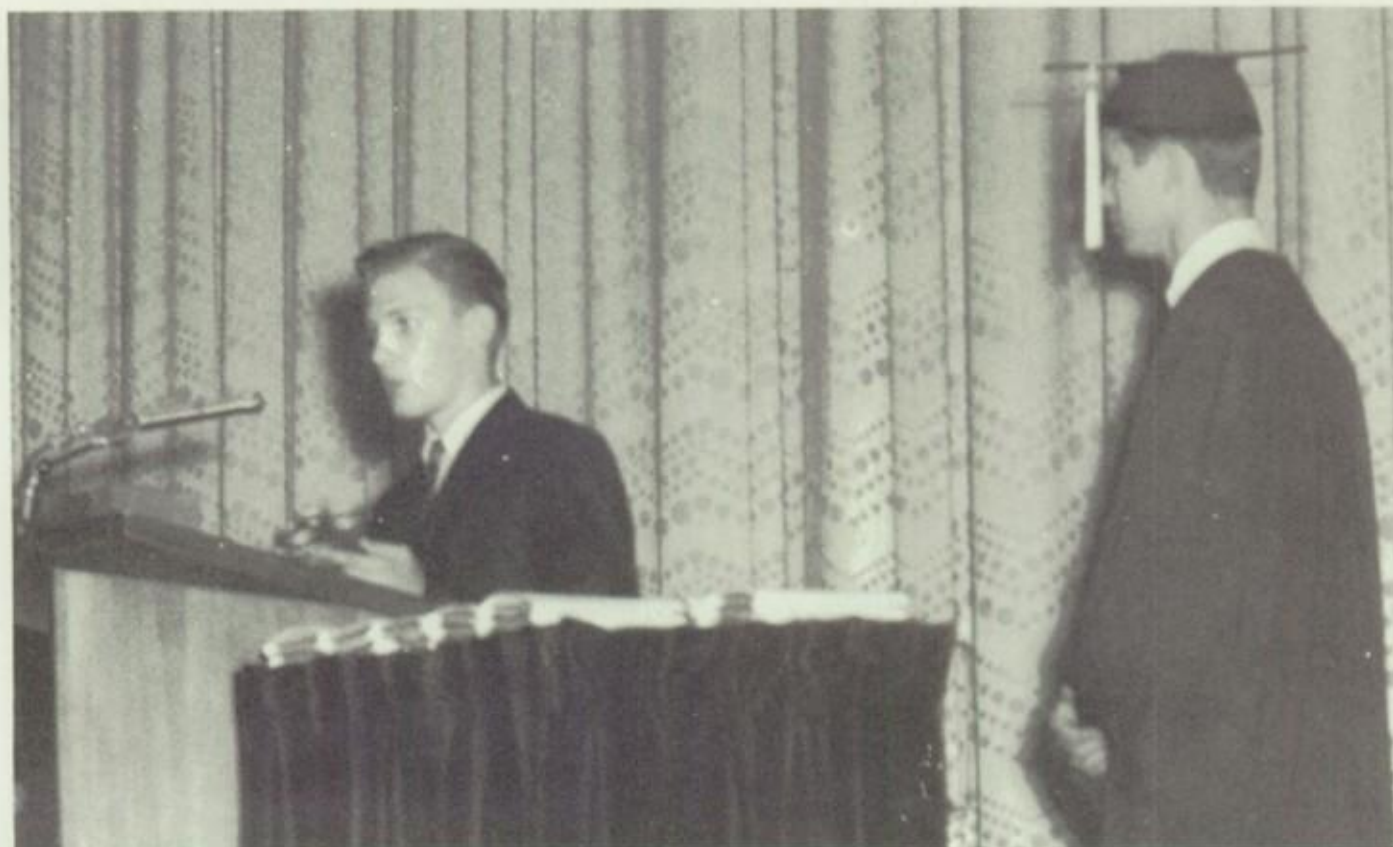

Personalities

"Ring O bells! . . . The whole theory of the universe is directed unerringly to one single individual—namely to you."

Walt Whitman

With the presentation of the Class Key to Junior Class President Ralph Myers, a new year, the final one, began for the members of the Class of '67.

Destined to excel in all fields of endeavor, the Seniors rose to great heights in scholarship, athletics, drama, music, and service. Apparent leadership of the Seniors showed its effect upon the entire student body making the 1966-1967 school year one to remember.

A 1966 SEASON OF EXCELLENT FOOTBALL

The 1966 football season was an outstanding portrayal of the fighting Hornet spirit! The team, under the coaching of Eugene Rice, finished with a 7-3 season. The season proved constant work and determination can bring many individual football players together to build a powerful team with marked precision.

The leadership qualities of Larry Fitzpatrick helped the team forge ahead of many of the opponents. Mike Hall stimulated the strong players to put out the heart and desire possessed by each team member. The team will certainly be remembered for its exciting comeback and its highly spirited attitude.

Preparation for homecoming began early in the week with the homeroom decorating contest and election of the candidates.

Preceding the homecoming ceremonies, the student body rallied with the marching band for the first homecoming parade in LMHS history; the parade, including sophomore, junior, and senior floats, culminated the many hours of preparation. Pregame judging awarded "A Taste Of Honey", the senior float, first place! Other floats were "Try To Remember" and "Country Style". Excitement grew during the close first half of the game, and all awaited the crowning of the queen. The candidates arrived on the field in a caravan of convertibles and were spotlighted as they were escorted across the field. The announcement, "The homecoming queen of 1966 is . . . Gail Frazee." brought applause from the crowd. Gail, with tears in her eyes accepted her crown and yellow mums from the co-captains. Amidst the confusion of congratulations, the queen and her court were escorted to watch the victorious final half, ending a perfect homecoming for the class of '67.

THESPIAN TROUPE #1709

Thespian Troupe #1709 of Lemon-Monroe High School, under the able direction of Mrs. Della Ewalt, was very busy this year. New projects were originated through the enthusiasm and ability of its members. Thirty-three new Thespians were added to the roll this year making the society one of the most active in the school's history.

Activities, varying from car washes to formal banquets, kept our members busy between the long rehearsals scheduled for the many Thespian productions.

STATE THESPIAN CONFERENCE

The State Thespian Conference was held October 15, 1966, at which time we were privileged to have Mr. Bud Beyer, one of the nation's top pantomime artists, and his assistant, Mr. Mike Bethka, perform for us and give an informative lecture on body movement. Cuttings from various high schools in this area were given, followed by critiques given by Dr. Ronald Kern of Miami University.

Awards were presented to outstanding Thespians and to the All Star Cast by Dr. Kern. Monroe won the honor of All Star Cast with its presentation of *The Brick and The Rose*.

Officers: H. Smith, L. Perry, J. Jamison, K. Baden, and H. Jones.

The Student Council set many goals to reach this year. The new style of presenting Homecoming, with a parade and Homecoming floats, was brought about by the initiative of this student body. The President's advisory committee, which was first formed this year, consisted of representatives of the different school organizations and brought to the council meetings the ideas and suggestions of the members of their respective clubs. During the basketball season, the student council sponsored a school spirit committee. An exchange of students was done in order to create a better understanding among the two schools involved, which were Fenwick and Monroe.

This year's student Council has accomplished much in making a better school of Lemon-Monroe. The tasks that they set, they have met with the goal in mind to win. The students which made up this year's group contributed greatly to the successfulness of the Student Council.

AMERICAN FIELD SERVICE

For several years Monroe has participated in the American Field Service Program. Junior students have an opportunity in the fall to apply for the Americans Abroad Program, which would entitle them to spend the summer of their junior and senior years in a foreign country. This year David Anderson and Jane Lerch were selected from several students, as semi-finalists in this program.

Also each year, Monroe has the opportunity to have a student from a foreign country, stay with a family in the Monroe district, and attend classes at our high school. This year Jill Barlow, an exchange student from South Africa, attended classes at Monroe the first semester, as part of the American Field Service Program.

JUNIOR-SENIOR

PROM

1967

UNDERWATER FANTASY

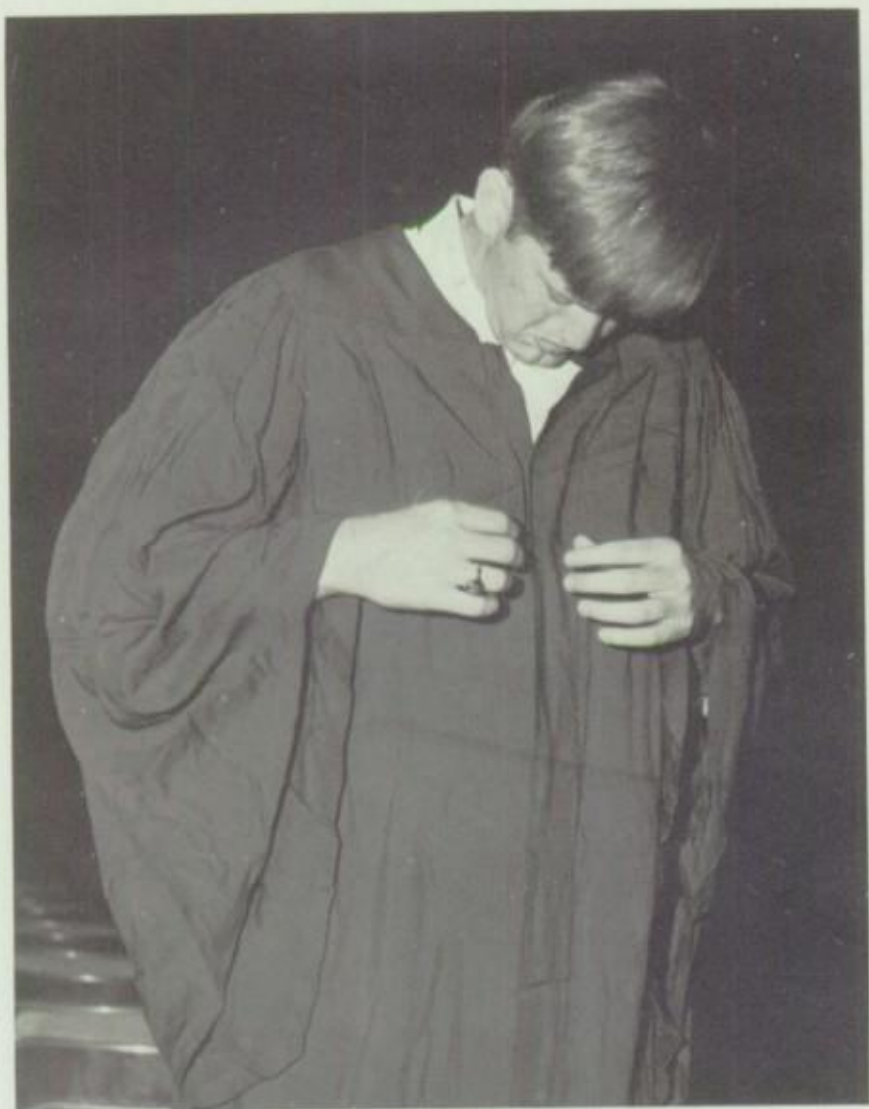

Queen Karen Baden
King Larry Bake

Fantastic sea creatures, that could only be appreciated by the dancers as they drifted between the pale greens and exciting blues on May 13th, filled the ocean in the new gym created by many hours of work by the juniors under the supervision of Mrs. Della Ewalt and Mr. J. William Pretty.

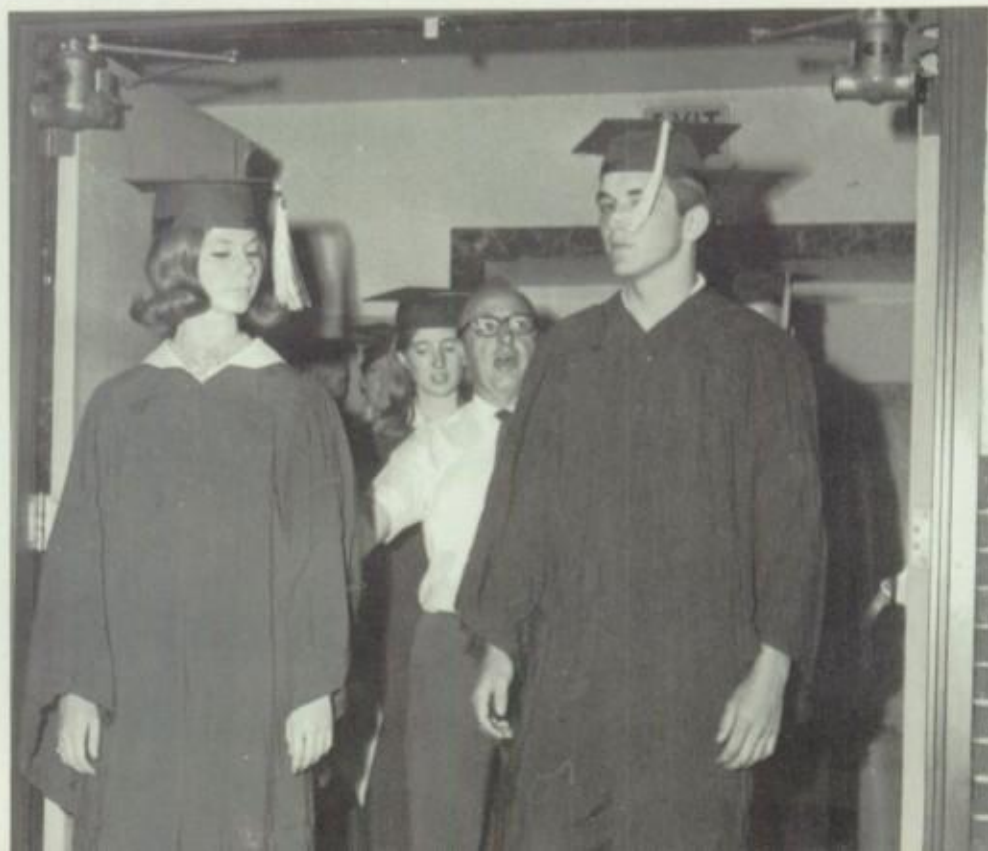

King and queen candidates were: Carol Neu and Garland Myers; Donna Line and Ralph Myers, Karen Baden and Larry Bake.

After the magic of the Kingdom of the Sea, the couples left for Cincinnati and a starlight cruise down the Ohio River on the Johnson Party Boat. Some of the smaller marine animals were "invited" to join the group on the river and became fresh water inhabitants with the aid of friendly juniors and seniors. A little rain formed a misty cover for the early morning ride and made the 1967 prom a true "Underwater Fantasy."

AND PRACTICE AND PRACTICE AND PRACTICE AND PRACTICE . . .

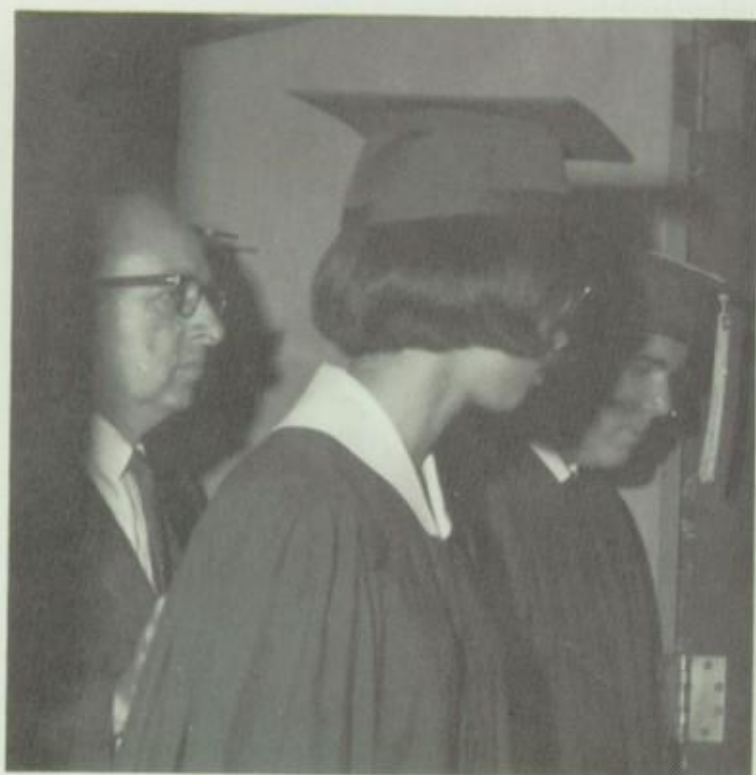

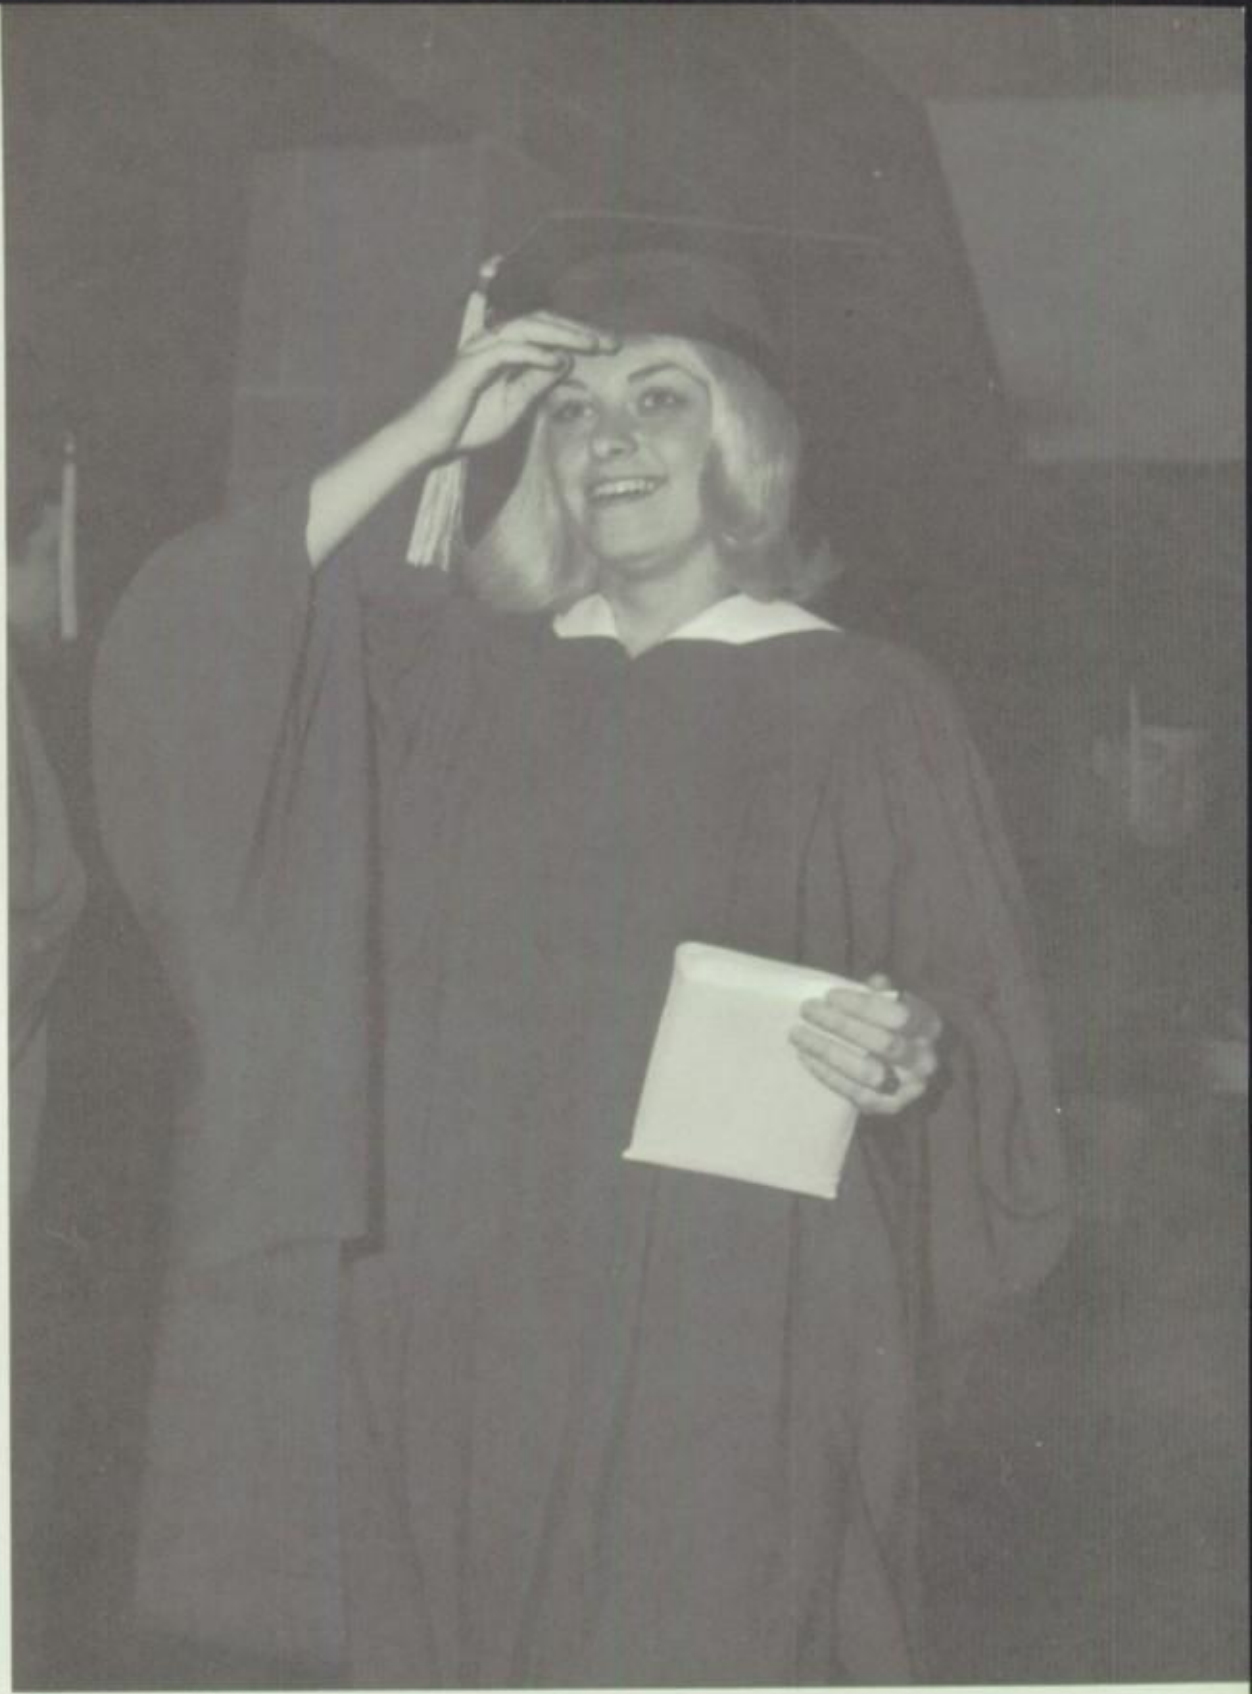

Knight Goodman, speaker at the 81st Commencement.

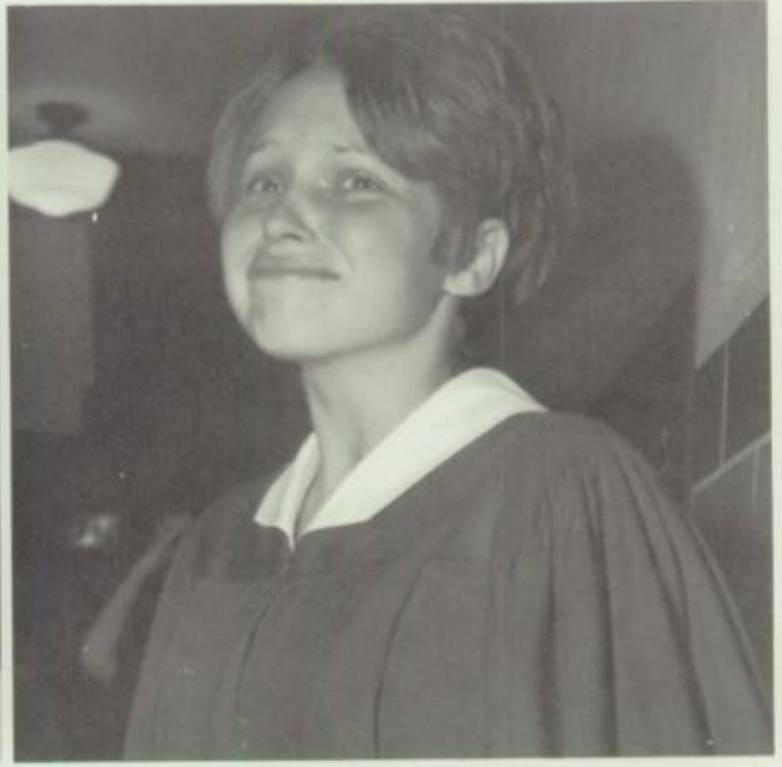

Tom Maddox, Senior Class President; Martin Bishop (Class of '28); Harding Jones, Junior Class President.

'The bell strikes one. We take no note of time,

but from its loss." Edward Young
